

SANGHA APARTMENTS RENTAL RATES

Rental is payable monthly and includes gas, elec and water. Council Tax is payable by the tenant but if you are a full-time student you can be granted exemption if you provide Leicester City Council evidence of your student status.

If you have a UK based Guarantor or use a Guarantor company like Housing Hand you can pay the rent monthly. You would pay the first months rent prior to move in together with the deposit and then pay monthly on the same date until the end of your tenancy. If you do not have a UK based guarantor or use a Guarantor company then the rental is payable in full for the term of your tenancy together with the deposit prior to move in.
